Admissions Agreement:

Strawberry Early Childhood Development Center requires that all parents pay their entire tuition on a monthly basis. Should you decide to keep your child home, for any reason, you will still be required to pay your tuition in full as part of your contractual agreement with us. Parents of subsidized children remain fully liable and personally responsible for the payment of tuition, in the event they become ineligible to receive child care subsidies.

Please pay each month's tuition on or before the fifth day of each month.

Termination of Enrollment by Strawberry ECDC:

In certain circumstances, it may be necessary for the Director, to decide upon a child's continuing attendance. Such a decision will be based on whether it is in the best interest of that child, the other children in the class and the overall operation of the center to terminate enrollment. Every effort will be made to correct a problematic situation before a final decision is made. Termination of enrollment may be the result of the following:

- Non-payment of tuition
- The center's inability to meet the child's needs.
- Disruptive or dangerous behavior from the child or parent
- Continued violation of Strawberry ECDC's policies by a student or parent.

Whenever possible, written notification of two weeks notice will be provided to the parents in the event of termination of enrollment.

Note: Parents will be responsible for any and all legal or collection fees incurred in settling delinquent accounts.

Termination of Enrollment by Parent:

Each child is enrolled for an indefinite forward period. Four weeks' notice is required, or two week's additional tuition is payable upon a child's withdrawal from the program if 4 weeks' notice is not given.

As child care providers, we agree to:

1. Give your child careful attention, affectionate care, and stimulating things to do so he/she will experience happy, healthy development while at Strawberry ECDC.
2. Place your child in a group of peers based on age and/or special needs as determined by the staff.
3. Involve your child in a program of play and learning experiences, which are appropriate for the ages of your child and the children enrolled in his/her group. A balance of active and quiet play is provided for, with individual and group activities, which are geared toward the emotional, social, physical, aesthetic, and individual growth of young children.
4. Give you two weeks notice, except in an emergency, if we request the removal of your child from our center.
5. Keep you informed of your child's progress as well as any problems.
6. Cooperate with you in planning for the needs of your child.
7. Center will provide nutritious snacks with juice in the morning and afternoon.

As the parent(s), I (we) agree to:

1. Promptly report any change in address or phone number (home, work, or cell) to the center.
2. Promptly report any illness/contagious disease that may involve other children in care.
3. Keep the provider informed of any special health needs or problems that the child might have.
4. Allow the childcare provider to act on the parent's behalf if emergency medical care is needed for the child. (It is understood that a conscientious effort will be made to locate the parents before any action is taken.)
5. Furnish requested medical information before child's attendance in the program begins.
6. Parent or Guardian must, without exception, sign child in upon arrival and sign out upon departure.
7. Notify the center when someone other than those named in the emergency back up section will be calling for the child.

8. Provide the child with a nutritious breakfast and/or lunch if the child is to be at the center during at the times these meals are served.
9. Provide the child with two crib sized flat sheets and a blanket or other covering to use during nap periods if the child stays at the center after 12:00 noon.
10. See that the child is dressed appropriately when brought to the center, following the guidelines in the parent's handbook.
11. Notify the center when the child will be absent.
12. Shall give four weeks' written notice or forfeit two week's tuition, in case of withdrawal from the program.
13. Notify the center when the child will not be called for at the designated time.

This Agreement shall be terminated if any one or more of the following occur.

1. Serious illness of the child, preventing attendance.
2. The parents or guardians of the child allow their account to become delinquent.
3. The parents or guardians become threatening to the staff.
4. Failure of the parents or guardians of the child to honor the obligations listed in this Agreement or in any rules, regulations, or handbooks provided by the center.
5. The center in its sole unfettered discretion determines that it is unable to meet the needs of the child.
 - The center in its sole and unfettered discretion determines that it is not in the best interest of the center or other children enrolled at the center to have the child in attendance.
 - Failure of the child's parents or guardians to cooperate with the center, which the center determines in its sole and unfettered discretion, is serious enough to warrant termination.

Permission for photographs of your child at Strawberry ECDC

It would be very helpful to clarify permissions you may give us with respect to taking photographs of your child. There are several occasions on which we take photographs.

1. To capture classroom activity and post the photographs on the classroom walls or furniture, either for children to view themselves in action, or to give information to parents as to various activities, which have taken place.
2. To capture classroom activity and email such pictures to parents of the class, so that parents can have an appreciation of the activity or events during the day and see their children enjoying their day.
3. To post to our website, either on the front page rotating pictures or on the page labeled "About our Center". These photographs are intended to illustrate the range of activities at our center. You will note that names are never posted. If you have not done so, we suggest that you review our website to see the materials posted.
4. By policy, resulting from a desire to protect privacy, Strawberry ECDC does not have a Face Book page, use twitter or any other "social media". Staff are prohibited from using the photographs of any child on the personal social media.

It would be appreciated if you could indicate your approval/non approval of each of the occasions described above. If we do not have your approval then we will not include your child in the photographs taken.
